

2020 DKGNA Test Schedule

The DKGNA Board of Directors has been contacted by numerous individuals wishing to host test in 2020. The Board welcomes all inquiries and will evaluate each on their merits.

When considering where to hold tests in 2020 the Board will consider the following criteria:

The number of dogs committed to the test

Adequate land, water, and forest as necessary to host the desired test

The knowledge of the Test Coordinator enabling them to support the test, the judges, and the handlers to ensure the success of the test

Availability of Judges and costs related to their travel, housing, and local transportation

Opportunities to do outreach to the public about the breed

If you are interested in hosting a DKGNA Test in 2020 please contact the DKGNA Test Director Jörg Kaltenegger at 740-238-9636 or at jpkalt@gmail.com.
