

DKGNA By-Law Change

The Board of Directors wishes to thank all members that participated in voting for the proposed By-law change. The change was approved without a descending vote.

The change new section of the By-laws will read:

D. "A person can serve no more than 2 consecutive terms in any single position on the Board of Directors."

It was brought to the attention of the Board of Directors that by limiting Board Members to 2 consecutive terms, we had unintentionally prevented people from first gaining initial Board of Directors experience by serving two terms in one position before subsequently running for a more senior leadership positions.

The Board feels that this change will both enable a cohesive transition in the leadership of the DKGNA and make the club stronger as we continue to grow and evolve as a leader in the DKV community.

Again, the Board of Directors thanks you for your participation in the By-law amendment process.
