

DKGNA Test Schedule

The DKGNA Board of Directors has determined the [2020 Test Schedule](#) (click 2020 Test Schedule to view). The Board took into consideration applications from several different venues and determined that the afore mention schedule best services our membership and the goals of the DKGNA. It is possible that additional Spring and Fall tests will be added as the year progresses. One note, there are two Derbies listed for Walla Walla, only one will be held. Currently, we are polling the leaders to determine which date is best for them.

It is important that you enter each test you wish to participate in ASAP. Several of the tests are filling up quickly and we want to be sure that all our members have the testing opportunities they desire. For your convenience we you can click [Fillable Test Entry Form](#) (the document is not fillable in Firefox) to access the form and start the process. Please complete the form and return it, with your entry fee, and a copy of the dogs Ahnentafel to the listed Test Coordinator.

If you have any questions regarding a test, please contact the listed Test Coordinator. If you have general testing questions please contact Jörg Kaltenegger, DKGNA Director of Testing at td-doj@dkgna.org or at 740-238-9636.
