

DKGNA 2020 Annual Meeting

The location and date of the first DKGNA Annual Meeting has been established. The meeting will take place April 30th – May 3rd, in Lehi, Utah.

Details of the event are being finalized by the Planning Committee consisting of Tyler Smith, Randall Cherry, and Marianne O’Leary. We have been told that there will be a General Meeting, Banquet, Live and Silent Auction, Derby and Zuchtschau. Also a bred show featuring breeding dogs from members kennels. It is anticipated that we will have breakout sessions for a number of subjects including preparing for tests, presenting a dog in a Zuchtschau, completing the paper work for an entry in a test or registering a litter. If you have ideas for breakout sessions please contact a member of the Planning Committee.
