

Our First DK Test

by Kyley Caldwell

We held our first DKGNA Solms/AZP test for the Southeast Area, on November 7th and 8th 2020, in Lillington, North Carolina. We had a total of 8 dogs entered in this test along with 7 for the Zuchtstchau, which was hosted on Saturday November 7th after day one of the Solms/AZP test.

We had dogs and handlers travel from Pennsylvania, North Carolina, and Georgia. All the dogs did amazing both Saturday and Sunday and the weather was spectacular in the low 70's. There were many comments from new handlers at the test of how much the judges helped them and if they ever had a question it was answered and felt like they were very engaged and wanted to utmost best for the dogs. It was nice to hear and see this as we had 3 brand new handlers for the difficult test.

I am so glad we were able to host this on our grounds here in NC and look forward to many more DK test's and events in the future. Thank you to all the handlers for putting the time and effort into your dogs and allowing them to be judged. Thank you to the volunteers for your hard work and dedication to this organization.

Lastly a big thank you to the judges for taking time out of your busy lives to come judge and evaluate these amazing dogs and to DKGNA for making this test possible with all your support and guidance along the way.
