The **Beretta 687 Silver Pigeon 3** over/under 20 gauge shotgun is a beautiful gun and the perfect gun for an upland bird hunter. The 680 series have been a favorite of upland hunters for years. **The 687 Silver Pigeon III** shotgun represents an elegant evolution of the Silver Pigeon I, designed to meet the needs and desires of shooters looking for the reliability of the 680 platform presented with attractive aesthetics and a superior wood finish. The fine engraving is made with state-of-the-art 5-axis laser technology and is embellished by a special sparkle in the bas-relief areas, which creates a pleasant contrast effect. The floral motifs and evocative game scenes are highlighted with pheasants and partridges.

The **vom Himmel Fallen hunt** is for two hunters for two days and three nights. All meals are included. The hunt includes the opportunity for wild boar, whitetail deer, and quail.

The **Beretta 686 Silver Pigeon 1** over/under 20 gauge shotgun is the perfect gun for an upland bird hunter. The Silver

Pigeon I is built on the legendary 686 action, a long-standing favorite among hunters and competitive shooters. It features two conical locking lugs at mid-action, right between the barrels, giving it great locking strength and durability while keeping the action's profile considerably lower. The advantage is that the eye of the shooter is a lot closer to the plane of his supporting hand: considerably better swing and hand-eye coordination.

The **Traeger Ironwood 885 Grill Package** includes everything but the meat for the BBQ enthusiast. Traeger grills are very popular, and the Ironwood is loaded with additional features to help you take your cooks to the next level. Double-sidewall

insulation maintains steady heat levels to give you even more

consistent results, while Super Smoke Mode lets you amp up the wood-fired flavor with the press of a button.

The **Franchi Instinct LX Over/Under 20 gauge** represents Italian tradition and fine craftsmanship. Satisfy your desire for something more in a shotgun with a beautifully crafted Instinct LX over/under from Franchi. It pairs superior ergonomics with deluxe old-world features to deliver exceptional function and striking good looks. Engraved gold birds and accents contrast perfectly with detailed engravings on the color cased-hardened receiver, and pair exquisitely with the rich AA-grade, oiled-walnut Prince of Wales stock and Schnabel forend, and black extended chokes.

The winners will be drawn at the DKGNA Annual Meeting Banquet, on May 14th, at Cabelas, in Lehi, UT. The first person drawn in the raffle gets his/her choice of the top prize; the second person drawn gets second choice; the third person drawn gets third choice; fourth person drawn gets fourth choice; and the fifth person drawn gets the prize that remains.
