

# 2023 NAKP

The DKGNA has been selected by the DKV to host the 2023 North American Kurzhaar Prüfung (NAKP). This is an international test that takes place in North America every two years.

To be qualified to participate in the NAKP your dog must have past two separate level tests with a Prize 1 (there is a HZP conversion); they must have a SG or better adult form evaluation; they cannot be marked gun sensitive at any previous test. Dogs must meet the qualifications by the entry deadline of July 1, 2023.

We are very proud to have the opportunity to host this event. We are currently evaluating possible locations to hold the test. The venue must have excellent spacious search fields, plentiful water for searches, accommodations for handlers and judges. Also, there must be adequate banquet facilities for receptions and the awards dinner.

We must wait to schedule the NAKP until the dates for the 2023 Kleemann are announced as we must work around that event. We hope to have those dates by December. It is anticipated that the NAKP will take place in September or October of 2023.

If you have a suggestion for a good venue to hold the 2023 NAKP please contact your Regionals Director, the DKGNA Director of Testing, or the DKGNA President.
