

President's Message

by Frank O'Leary

As I reflect on the last six years, I am very pleased with the growth and development of the DKGNA. Unfortunately, my job demands more and more of my time. Therefore, effectively immediately, I can no longer devote the time necessary to continue as President of this organization.

To be clear, I am removing myself from this position and Board positions in other organizations simultaneously.

I wish the best to the DKGNA as you go forward.

Best Regards,
Frank O'Leary
