

2019 DKGNA Testing Schedule

Subject to final approval in March, in 2019 the DKGNA will be approved to host tests sanctioned by the DKV and the JGHV. In preparation for the impending events the DKGNA Board of Directors must submit their proposed testing schedule in December. To do this successfully we need your input.

To make sure that we met the needs of our members we need to know what type of tests you need (Derby/Solms/AZP/VGP), where you live, and the breeding (pedigree) of your dog (to avoid judging conflicts).

Tests are expensive to hold with the cost of Judges travel, Judges housing & meals, and birds so it is important that we plan our test efficiently. We want to meet the needs of our membership while controlling cost as much as possible.

Please submit your testing needs by December 10th to: TD-DOJ@dkgna.org
