Starting with the August DKGNA Newsletter we will be including a section devoted to answering members question regarding Testing/Conformation and Breeding/Registration.

Members can submit their questions to for the Judges by emailing them to [td-doj@dkgna.org](mailto:td-doj@dkgna.org). These questions will be answered by Judges Jörg Kaltenegger, Francois Aldrich, and/or Jeff Martin. Members can submit their questions for the Breed Warden via email to [breedwarden@dkgna.org](mailto:breedwarden@dkgna.org) and they will be answered by DKGNA Bred Warden Randall Cherry. If the question requires an answer from the DKV or the JGHV we will submit the question to the appropriate organization and individual.

Each month we will select question for publication that will be of interest to the most members. All questions will be answered regardless if it is published or not. So please submit your questions.

Remember, if you are asking someone else is wondering about the same thing!
