

DKGNA Logo

The Board of Directors have approved an official Logo for the DKGNA. This Logo will be used on our official documents and promotional items.

Currently the Board is in the process of designing a membership pin and decal that will be made available to all members.

The Board wants to thank Randall Cherry, Jeff Martin, and Tony Dolle for their months of work on this committee. It goes without saying that trying to create a design that satisfies each member of the Board is a challenge.

If you have ideas for promotional materials to advance the image of the DKGNA please contact a Board Member.
